

## **Beach Cup XIV Referee Plan**

We have requested that each team submit a three-referee team. Each three-referee team will be required to officiate or standby for 3 matches for a total of nine (9) assignments. In order to assure referees complete their assignments, we have assessed each team a \$150 referee commitment fee upon registration. This fee is to be refunded in the event that all assignments are successfully completed. Deposits will be refunded as follows: 3-5 completed assignments, \$40.00 refund, 6-8 completed assignments, \$90.00 refund, 9 completed assignments \$150.00 refund

Referee team will consist of three members, one Center Referee and two Assistant Referees. Standby teams will be assigned through out the day. If a team does not check in at El Carro Headquarters 1 hour before their 1<sup>st</sup> assignment and at the assigned venue 15 minutes prior to all matches, a standby team will be dispatched from El Carro Headquarters. Late check-in may result in the loss of an assignment or rescheduling if possible.

As soon as we have the reservations in place, we will prepare a referee schedule that will be included in the acceptance letter and posted on our website. Referee Assignment Cards will be mailed to each Coach the weekend before the tournament.

All venues will have 2 way radios (or cell phones) and free bottled water for the officials. Additionally, El Carro Headquarter will have baked goods in the AM and fruit all day. Each referee will receive a tournament memento, and a free meal ticket for each day assigned.
